The bandaging and first aid are requirements of the firemaker's rank and every guardian is urged to take advantage of this expert instruction. The camp fire songs are required for both woodgatherer's and firemaker's ranks and motions to the Neidlinger songs will be reviewed. This meeting will be counted as two sessions of the seven required for the training course certificate.

#### Notre Dame Games.

Mishawaka Camp Fire girls are grateful to Notre Dame university for its generosity in allowing us to attend their games this season. One hundred twenty-five attended the Haskell institute game and 100 more were in the stadium for the game Saturday against Drake university.

#### Thanksgiving Ceremonial.

Are you planning to be ready to take your rank at the Thanksgiving ceremonial? The committee on awards will meet on Saturday morning, Nov. 12, at 10 o'clock. Be sure and be ready!

#### Dues.

Dues are coming in just fine, but there are still some groups inactive on our lists. Try and get your dues in as soon as possible so that you may take advantage of all the interesting things Camp Fire is offering you.

#### GROUP REPORTS.

##### SkaPanahu.

Plans were made for our next meeting to be held at the home of our guardian, Mrs. Quackenbush, next Tuesday at 7 o'clock. We will not have a regular meeting but will make garments for the poor. All girls picked their Indian names who did not have one. Plans were made for our hike to be held in the hills, Thursday. Our assistant guardian, Miss Stearns, told us some interesting things about the Indians. Four girls planned to take woodgatherer's rank at the ceremonial to be held Nov. 18.
