GUARDIANS PLAN GIRLS' SEASON

Camp Fire Program Includes Party and Reunion.

Thirty members of the Camp Fire Girls' Guardians' association met Wednesday night in the home of Mrs. R. W. Koehler, 1845 Wilber street, for the first gathering of the season. Reports were given by Mrs. E. D. Fisher and Miss Dorothy E. Brown. Tentative plans were made for all-city activities for the year.

The season will include a "round-up" party for girls who take part in the new membership drive and a camp reunion is scheduled for December, as is the annual winter camp. Group caroling will also be a feature of the Christmas activity program.

Special Sunday Camp Fire Girl services will be held in February and sectional mother-daughter-dad banquets have been scheduled for March. An annual circus and mother's tea will take place in April and May.

Guardians will enroll in a training course next Wednesday evening, open to sponsors of Camp Fire groups and anyone interested in organization work. Camp Fire Girls aged 13 or over may participate in cooking classes at the Indiana & Michigan Electric company and a stamp collectors' "swap" club will meet the first Saturday morning of each month.
