70 Camp Fire Girls at Tannadoonah This Week.

More than 90 South Bend Camp Fire Girls returned to their homes Sunday at the end of the summer season's seventh week at Camp Tannadoonah, their retreat on Birch lake, Vandalia, Mich. In the afternoon the eighth week of the season opened with 70 new campers enrolled.

Those who completed swimming tests for American Red Cross emblems were Beth Morris, Jo Ann Fuller, Mary Rita Grundy, Janet Bickel and Jeanne Humrichouser, of South Bend, and Nancy Latta, of Goshen, Ind.

Three dramatic presentations were given in the camp's outdoor theater Saturday morning. Senior dramatic students presented a comedy skit with Betty Lee Mooren, Jean Anderson and Priscilla Pierson in the leading roles while junior members presented a day at camp in pantomime. The Blue Birds gave a play about the flag.

A five-year locket award was made at Friday evening's fire to Beverly Gilbert, of Mishawaka.
